Hi There,

I just want to thank you very much for the excellent presentation last night. The members of the Board, and the superintendents were clearly impressed by the quality of your work, your professionalism, student voice, and the commitment to your faith-filled efforts. I am deeply grateful for your outstanding contributions to your school and our district. Please extend my sincere thanks to all of the students and their families as well.

Peace

Jennifer

Hi Bruce

On another note-I want to thank you very much for bringing in your kids. I can't tell you how many compliments your presenters received. They really got it- what a great example they set!
