

V. PROFESSIONAL GOALS AND ACTIVITIES TO BE ADDRESSED

In the event that Mrs. Allen remains teaching Education Support II, she would like to further her ability to communicate with non-verbal students by taking in-services on English Sign Language and other communication assistive devices.

VI. EVALUATOR'S RECOMMENDATIONS

Interim Contract Continuous Contract Permanent Certificate Needs Improvement Do Not Retain

Comments:

Mrs. Allen demonstrates herself to be a very professional educator. She has a strong understanding of the curriculum and how the curriculum should be applied in a special needs classroom. Mrs. Allen cares for the students she is teaching and displays that in her interactions with each and everyone of them.

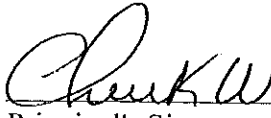

She has been an extremely positive addition to the staff and school community.

I have no hesitation in recommending that she be offered a continuous contract with Calgary Catholic School District.
