**Subject:** APEGA: Thank-You Card

Hi, Michele–

Imagine my delight at receiving an oversized, hand-made, APEGA-themed card from students at St. William School! Such a lovely gesture and truly appreciated. It is always nice to be recognized and particularly by students – after all, that is the population that our Elementary Science Nights are geared towards.

Again, my sincere thanks to both you and your students at St. William School.

Best regards,
