

LEADERSHIP ACADEMY

The meditation we propose is a filling of the mind with a deep, sustained reflection on Psalm 23... It helps us gain perspective on ourselves and our problems by viewing them from a good place, a sacred place... Through meditation, we take our knowledge of Psalm 23, use it in our lives, and reflect on it. This process of knowledge, action, and reflection can transform followers into leaders and make already strong leaders into shepherd leaders.

Presented to

Michele Allen

in recognition of the completion of
Series I - Modules 3, 5 and 8

June 2012

Gary Strother, Chief Superintendent

Judy MacKay, Superintendent, Area C Schools

CALGARY CATHOLIC SCHOOL DISTRICT
